**EDI Medical Bill Reporting (837)**  
**UCF (paper) pharmacy bills**  
June 24, 2008

*Note:*

*The IAIABC's NCPDP liaison has provided the details below in an effort to assist the Oregon Workers' Compensation Division in advising workers' compensation pharmacy providers and agents/assignees how to complete the current UCF for those who choose to utilize the current UCF for billing Oregon workers' compensation pharmacy bills.*

Agent submitted invoice or if Billing Pharmacy information is different than Dispensing Pharmacy

- \* White space - upper right hand corner = Billing Date
- \* I.D. = SSN of injured worker
- \* Group ID = Enter "Agent Billed" if invoice being submitted by a PBM/TPB/Clearinghouse or Billing Pharmacy location different than Dispensing Pharmacy
- \* Name = Name of dispensing pharmacy
- \* Plan Name = Enter NPI of dispensing pharmacy
- \* Pharmacy Name, City, Address, State, Zip Code and Phone = Information for Billing Agent or Billing Pharmacy
- \* Services Provider ID = FEIN of Billing Agent or Billing Pharmacy
- \* Carrier ID = Carrier Name

All other fields would be populated as usual

Pharmacy submitted invoice - Dispensing and Billing Pharmacy detail are the same

- \* White space - upper right hand corner = Billing Date
- \* I.D. = SSN of injured worker
- \* Group ID = Enter "Provider Billed"
- \* Pharmacy Name, City, Address, State, Zip Code and Phone =

## Information for Dispensing Pharmacy

- \* Services Provider ID = NPI of Dispensing Pharmacy
- \* Carrier ID = Carrier Name

All other fields would be populated as usual

Additionally, since there is no place on the current UCF for the name or full address for the carrier, anyone who uses this form to bill will have to print a separate sheet with the carrier address to be mailed.

The above solution is a temporary one. At this time, NCPDP anticipates a 2009 release for the new UCF form. More information will be forthcoming from NCPDP as the process for the new form adoption progresses.
